

# Do you want to be a part of a greener future?

## Horticultural student for international company

We are looking for students who are passionate about becoming a greenhouse gardener for our highly modern company where robots, the newest technology and IT are tools used in the production.

Thoruplund offers an interesting and educational internship. You will get around the different departments with the different productions within Schlumbergera, Campanula, Roses, Rhipsalidopsis and the niches Ginkgo Biloba, Exacum Sapphire and Tacitus.

Is this you:

- Green fingers
- Responsibility
- Collaboration skills
- You have a dream and is eager to learn
- Industriousness and dutiful
- You are a team player

This is us:

- Focus on sustainability and green transition
- Biological control is a big part of the production
- A company with the latest technological solutions including robots
- An international team of lovely colleagues
- A possibility for work with our joint ventures
- We are a company with progress and a believe in the future
- A job with possibilities for personal development
- A job with possibilities for insight into breeding

If you are considering, or you are already in the process of training as a greenhouse gardener and looking for an internship, we would love to hear from you. Get in contact or send an application to:

Gartneriet Thoruplund A/S, Tvingvej 43, 5220 Odense SØ. Att. Karin Clemmensen. Mail: [krc@thoruplund.dk](mailto:krc@thoruplund.dk)  
Any questions concerning the job, please contact Karin Clemmensen at: 65972203, mail: [krc@thoruplund.dk](mailto:krc@thoruplund.dk)

Gartneriet Thoruplund A / S was founded in 1946 and is continued by the 3rd generation.

More than DKK 8 million potted plants are produced annually on the 62,000 m<sup>2</sup> under glass as well as in our joint ventures in Vietnam and Turkey. The nursery mainly uses genetics from its own breeding department.

The main products are Campanula, Schlumbergera, Pot Roses, and Rhipsalidopsis. Further information at [www.thoruplund.dk](http://www.thoruplund.dk)
